Service Letter No. 317

April 6, 1959

TO: All Distributors, Dealers, Owners and Operators

SUBJECT: 50 Ampere Generator Installation

MODELS: PA-24 "180" and PA-24 "250" Comanche Airplanes  
Serial Numbers 24-1, 24-103 and up

We are pleased to announce the approval of the 50 Ampere Generator on the Comanche airplanes, serial numbers listed above.

The material required for this installation (less generator and voltage regulator) is available in a Generator Conversion Kit, part number 754 230, from your Piper distributor at a unit retail price of \$13.88##. This kit includes the necessary circuit breakers, wire assemblies and installation instructions.

The 50 amp generator #1101915 and voltage regulator #1119224 are available from Lycoming Division, Avco Mfg. Corporation, Williamsport, Pennsylvania through their authorized distributor organization.

Very truly yours,

PIPER AIRCRAFT CORPORATION

A handwritten signature in black ink, appearing to read "Robt Martin". The signature is written in a cursive, flowing style.
